LIMITED DUTY OFFICER (LDO) AND CHIEF WARRANT OFFICER (CWO) PROGRAMS

1. References

- a. OPNAVINST 1160.6A
- b. OPNAVINST 1160.7B

2. Definitions

a. Active duty - members of the U.S. Navy and Naval Reserve on continuous active duty, including Training and Administration of the Reserve (TAR) and General Recall personnel.

b. Inactive duty - members of the U.S. Naval Reserve Ready Reserve assigned to a drilling unit (pay or non-pay), including members on ADT, AT, ADSW, OYR, PSRC, and CANREC.

3. Program Information

a. The Limited Duty Officer (LDO) and Chief Warrant Officer (CWO) Programs provide commissioning opportunities to qualified senior enlisted personnel (and Chief Warrant Officers). Chief Petty Officers (E7 through E9), E6 personnel who are selection board eligible for E7, and Chief Warrant Officers (applying for LTJG) may qualify for these programs. The LDO and CWO Programs are open to both active duty and Selected Reserve (SELRES) personnel. Qualified personnel may apply for both LDO and CWO simultaneously. A baccalaureate degree is not required; however, it is strongly encouraged.

(1) Active duty personnel apply under the Active Duty LDO/CWO Program to Commander, Navy Personnel Command (PERS-811D) via their commanding officer.

(2) Inactive duty personnel apply under the Inactive Duty LDO/CWO Program to Commander, Navy Personnel Command (PERS-92D) via their unit commanding officer.

b. LDOs are technically oriented officers who perform duties limited to specific occupational fields and require strong

Enclosure (1)

OPNAVINST 1420.1

managerial skills. CWOs are technical specialists who perform duties requiring extensive knowledge and skills of a specific occupational field at a level beyond what is normally expected of a Master Chief Petty Officer.

4. Applicability. The LDO/CWO programs apply to CWO and senior enlisted personnel in the following categories:

a. Active duty enlisted personnel may seek appointment to commissioned officer status via the Active Duty LDO/CWO Program. TAR personnel and Naval Reservists on General Recall who are selected under the Active Duty LDO/CWO Programs will receive appointments in the U.S. Navy. These personnel will be honorably discharged from their enlistment in the Naval Reserve and concurrently reenlist in the Regular Navy before being appointed as a temporary LDO.

b. Active duty CWOs may also seek appointment to LDO via the Active Duty LDO Program.

c. Fleet Reserve personnel on active duty must reenlist in the Regular Navy to become eligible to apply for the Active Duty CWO Program. Authority to reenlist Fleet Reserve personnel on active duty must be requested from Commander, Navy Personnel Command (PERS-812).

d. Students enrolled in other officer accession programs are not eligible to apply for appointment under the LDO/CWO Programs. If selected for a commission under the LDO/CWO Programs, individuals will not be eligible to apply for other commissioning programs unless a formal declination has been filed with Commander, Navy Personnel Command (PERS-811D or PERS-92D, as appropriate).

e. Selected Reservists on Active Duty for Special Work (ADSW), One Year Recall (OYR), Presidential Selected Reserve Call-up (PSRC), or Canvasser Recruiter (CANREC) duty, may seek appointment to LDO or CWO via the Inactive Duty LDO or CWO Programs. If selected, they will have their active duty status terminated and will receive permanent appointments in the Naval Reserve.

(1) Selected Reservists selected for an Inactive Duty

Enclosure (1)

LDO or CWO appointment assigned to Presidential Selected Reserve Call-up (PSRC) must have gaining command or theater commander re-validation of their assignments based on the newly commissioned grade. If this validation is approved, they will remain on active duty. If assignment in their newly commissioned status cannot be validated, their active duty status will be terminated.

(2) Naval Reserve Canvasser Recruiters appointed to LDO or CWO via the Inactive Duty LDO/CWO Programs will have their active duty status terminated and receive permanent appointments in the Naval Reserve.

5. Eligibility Requirements common to both Active Duty and Inactive Duty LDO and CWO Programs

a. Service requirement:

(1) Active duty applicants must be serving on active duty at the time application is made, and if selected they must remain on active duty until the appointment is tendered.

(2) Inactive duty applicants must have been serving in a drilling unit (pay or non-pay) of the Ready Reserve for at least 1 year at the time application is made, and if selected, they must remain in a drill status until the appointment is tendered. Members who were serving under Regular Navy or TAR enlistments, and who enlist in the Ready Reserve with assignment to a drilling unit (pay or non-pay) within 90 days following release from active duty do not need to complete the prescribed one-year time period in a drilling unit.

b. U.S. citizenship is required and cannot be waived.

c. Must be of good moral character and have no courts-martial conviction or civilian felony conviction in the past three years as of 1 October of the year application is made.

d. Must have no record of disciplinary action under Article 15, Uniform Code of Military Justice, or conviction by a civil court for misdemeanors (except minor traffic violations) in the past three years as of 1 October of the year application is made. Any substantiated drug or alcohol abuse will result in disqualification.

Enclosure (1)

OPNAVINST 1420.1

e. Must be a high school graduate or possess an equivalency certificate.

f. Must be physically qualified for appointment per the physical standards outlined in the Manual of the Medical Department, Chapter 15 and meet the minimum physical fitness standards.

g. Must not exceed High Year Tenure (HYT) requirements outlined in reference (b).

h. Personnel in LIMDU/HUMS (Active Duty) or Not Physically Qualified/Temporarily Not Physically Qualified (NPQ/TNPQ) Status (Inactive Duty).

(1) Active duty personnel serving in Humanitarian/ Hardship (HUMS) or Limited Duty (LIMDU) assignments will not be permitted to accept their commission until the special situation is completely resolved. In the event an individual is assigned to HUMS or LIMDU on the effective date of commissioning, the commanding officer will hold the appointment in abeyance and notify PERS-811D by message or official correspondence of the circumstances. If the HUMS or LIMDU situation is not resolved within 60 days of commissioning date, the commanding officer will request further instructions from PERS-811D.

(2) Inactive duty personnel serving in Not Physically Qualified (NPQ) or Temporarily Not Physically Qualified (TNPQ) status will not be permitted to accept their commission until their status is completely resolved. In the event an individual is assigned to NPQ or TNPQ status on the effective date of commissioning, the unit commanding officer will hold the appointment in abeyance and notify PERS-92D by message or official correspondence of the circumstances. If the NPQ or TNPQ status is not resolved within 60 days of commissioning date, the unit commanding officer will request further instructions from PERS-92D.

i. Service with the Army, Air Force, Marine Corps, and/or Coast Guard may be credited to meet the minimal service requirement when it can be clearly documented, by the applicant, that service in another branch provided the requisite training, knowledge, and expertise that directly relates to and parallels

Enclosure (1)

the needs and requirements of the naval service. If applicable, comments regarding experience gained in another branch of service, to include relation of the experience with the Navy's needs and requirements should be included in the applicant's personal statement of the Officer Programs Application. The commanding officer will attest to such qualifications in his/her endorsing statement.

j. Favorably recommended by their commanding officer. (Inactive duty applicants must be favorably recommended by their unit commanding officer).

k. Must meet color perception requirements. Defective color perception is disqualifying for appointment in the following designators:

<u>LDO</u>	<u>CWO</u>

6. Enlisted eligibility requirements for the active duty and inactive duty LDO Program. In addition to the eligibility requirements listed in paragraph 5, LDO applicants must also meet the following requirements:

a. Be serving as a Petty Officer First Class (E6) or Chief Petty Officer (E7 through E8). An E6 must have served in that capacity for at least one year as of 1 October of the year application is made. Such service shall be computed from the time-in-rate (TIR) date for an E6. If broken service is involved, a PO1 must have served a total of at least one-year as an E6 as of 1 October of the year application is made.

b. E6 applicants must complete all eligibility requirements for E7 (except TIR) and must successfully compete in the annual Navy-wide examination for advancement to Chief Petty Officer, receiving a final multiple equal to, or greater than, the minimum final multiple for E7 selection board eligibility. E6 applicants must forward a copy of their most current examination profile sheet with their application. An E6 is exempt from the requirements of this subparagraph when notification has been

Enclosure (1)

OPNAVINST 1420.1

received by the commanding officer that the individual is a selectee for Chief Petty Officer or that advancement to Chief Petty Officer has been authorized.

c. Active duty Time-in-Service (TIS) and inactive duty Total Qualifying Federal Service (TQFS) requirements:

(1) Active duty personnel (E6 and above) must have completed at least eight, but not more than 16 years of active naval service (E6 personnel 8 to 15 years) (day-for-day) exclusive of Active Duty for Training (ADT) in the Naval, Marine Corps, or Coast Guard Reserve as of 1 October of the year application is made.

(2) Inactive duty personnel (E6 and above) must have completed at least eight, but not more than 16 years of total qualifying federal service (E6 personnel 8 to 15 years) as of 1 October of the year application is made. Total qualifying federal service for the purpose of this instruction is defined in Title 10, U.S.C., Section 12732 as time served with a component of the naval service. In computing the qualifying service eligibility requirement for Ready Reservists, constructive time cannot be credited.

(3) Both active duty and inactive duty Chief Petty Officers and Senior Chief Petty Officers with not more than 16 years of active duty or total qualifying federal service respectively may apply for both the LDO and CWO programs in the same application, but only one designator for each program may be requested.

d. CWO eligibility for the Active Duty and Inactive Duty (LTJG) LDO Program.

(1) Be serving as a Chief Warrant Officer.

(2) If applying for LDO (LTJG), CWOs must have completed at least one year of service as a CWO as of 1 October of the year application is made. Applicants are ineligible to apply if they are in a one-time failure to select (1xfos) status as a CWO as of the convening date of the boards.

Enclosure (1)

7. Enlisted Eligibility Requirements for the Active Duty and Inactive Duty CWO Program. In addition to the eligibility requirements listed in paragraph 5, CWO applicants must also meet the following requirements:

a. Be a Chief Petty Officer (E7 through E9), including E6 personnel selected for advancement to E7, and serving on active duty or as a member of the Ready Reserve in a drilling unit (pay or non-pay) for inactive duty applicants. PO1 applicants must forward a copy of their most current examination profile sheet with their application form.

b. Active TIS and inactive duty TQFS requirements:

(1) Active duty personnel must have completed at least 12, but not more than 24 years of active naval service (day-for-day) exclusive of Active Duty for Training (ADT) in the Naval, Marine Corps, or Coast Guard Reserve as of 1 October of the year application is made.

(2) Inactive duty personnel must have completed at least 12, but not more than 24 years of total qualifying federal service as of 1 October of the year application is made. Total qualifying federal service for the purpose of this instruction is defined in Title 10, U.S.C., Section 12732 as time served with a component of the naval service. In computing the qualifying service eligibility requirement for Ready Reservists, constructive time cannot be credited.

c. Personnel in paygrade E9, who have completed at least two years of service in paygrade E9 as of 1 October of the year in which the board convenes, may apply for appointment to CWO3. Such service shall be computed from the TIR date for advancement to Master Chief Petty Officer.

8. Application Submission Procedures and Deadlines. Application Procedures.

a. Active and inactive duty

(1) Applicants must fill out the Officer Programs Application form and submit it via their chain of command.

Enclosure (1)

OPNAVINST 1420.1

Commander, Navy Personnel Command must receive applications as follows:

(a) Active duty applications for LDO and CWO must be forwarded to Navy Personnel Command (PERS-811D) and postmarked not later than 1 August of the year in which application is made. Addenda, in standard naval letter format, must be forwarded (via your Commanding Officer) and be received no later than 1 January (the year the board is held).

(b) Inactive duty applications for LDO and CWO must be forwarded to Navy Personnel Command (PERS-92D) postmarked not later than 1 December of the year in which application is made. Addenda, in standard naval letter format, must be forwarded (via your Commanding Officer) and be received no later than 1 April (the year the board is held).

(2) Selection board convening dates

(a) The active duty selection board will convene at Navy Personnel Command annually in January to consider applicants for the active duty LDO/CWO Programs.

(b) The inactive duty selection board will convene at Navy Personnel Command annually in May to consider applicants for the inactive duty LDO/CWO Programs.

b. LDO/CWO designators and categories. LDO and CWO designators are designed to provide positive identification of surface, submarine, and aviation warfare; general series; and staff corps associated personnel, and to identify a broad occupational field or technical area. The following describes the different classifications within designators and their associated warfare, general series, or staff corps fields:

(1) LDOs (61XX) or CWOs (71XX) are officers designated for duty indicated by their specialty in the operations, maintenance, training, or support of naval **surface warfare**.

(2) LDOs (62XX) or CWOs (72XX) are officers designated for duty indicated by their specialty in the operations, maintenance, training, or support of naval **submarine warfare**.

Enclosure (1)

(3) LDOs (63XX) or CWOs (73XX) are officers designated for duty indicated by their specialty in the operations, maintenance, training, or support of naval **aviation warfare**.

(4) LDOs (64XX) or CWOs (74XX) are officers designated for duty indicated by their specialty in the operations, maintenance, training, or support of **all other elements of naval warfare**.

(5) LDOs (65XX) or CWOs (75XX) are officers designated for duty within the respective **staff corps** of the Navy indicated by their specialty.

c. Designator Application. (See pages 14-17 through 14-19 of this chapter for Normal Path to a commission)

(1) Surface and submarine warfare communities require LDOs and CWOs with the same or similar occupational qualifications. Candidates need not possess a particular warfare qualification to apply for an LDO/CWO designator in that particular community. Obviously, not every enlisted rating is competitively qualified for designations within different warfare communities, and application should not be made for an inappropriate category, e.g., a Gunners Mate Guns (GMG) should not normally apply for 726X, Ordnance Technician (submarine), but rather should apply for 716X, Ordnance Technician (surface).

(2) Eligible candidates may apply for up to two designators which may be in different occupational fields e.g., Ordnance Technician (716X) and Electronics Technician (718X); the same occupational field, but different warfare communities e.g., Ordnance Technician (Surface 716X) and Ordnance Technician (Submarine 726X); or a combination of the two e.g., Ordnance Technician (Submarine 726X) and Electronics Technician (Surface 718X). A candidate may not apply for dual designators as a first and second choice e.g., first choice 718X/728X, second choice, 716X/726X. Applications submitted with dual designators will be returned for the candidate to resubmit in compliance with the above designator restrictions. If a candidate feels qualified to compete in only one designator, only that designator should be requested. Eligible candidates requesting consideration for both LDO and CWO may apply for only one designator under each program. Candidates may apply for any designator they are qualified to perform.

Enclosure (1)

OPNAVINST 1420.1

(3) CWOs in the Nuclear Occupational Field and nuclear-trained enlisted personnel may apply only for LDO or CWO in the nuclear field 640X or 740X.

(4) LDO Administration (641X) and CWO Ship's Clerk (741X) selectees who are enlisted submarine-qualified, will be detailed primarily to billets (coded SV1) in direct support of submarine warfare.

(5) Applicants for CWO who are qualified in the performance of diving and desire to remain in diving-related billets may apply for the CWO Diving Designator 720X. Selectees will be detailed to surface and submarine-related diving billets.

(6) If selected for LDO or CWO, any request for change of designator will not normally be approved until the initial obligation of 3 years as an LDO or CWO has been served.

(7) Selected Reservists are often uniquely qualified by education and/or civilian occupation to apply for designators outside the normal career path of their current rating. Selected Reservists who are in this category are encouraged to apply for designator(s) that closely align with either their civilian and/or military occupational specialty(ies).

9. Active Duty LDO Appointment and Service Obligation. Selectees will be appointed as LDOs only if they continue to meet all eligibility standards as specified previously. Appointments to LDO will be made in the grades as indicated below:

a. CWOs selected for LDO will be appointed in the temporary grade of LTJG (02E) in the U.S. Navy.

b. Enlisted personnel selected for LDO will be appointed in the temporary grade of ENS (01E) in the U.S. Navy. TAR and Naval Reservists on active duty must reenlist USN prior to accepting appointment.

c. Each selectee will be assigned a date of rank in the grade to which appointed as prescribed by CNO (N131)/PERS-811. All original appointments become effective for pay purposes upon acceptance, but not earlier than the date of rank assigned.

Enclosure (1)

d. Each selectee must agree to remain on active duty as an LDO for a period of three years from the date of acceptance of appointment and may be required to transfer from current duty location.

e. If, before an appointment is effected, information is received which may render a selectee no longer qualified for appointment (e.g., NJP, failure to meet physical fitness standards, civil conviction, alcohol abuse, drug use, loss of confidence in the member's abilities as demonstrated by poor performance of duty, and/or removal of the commanding officer's recommendation, etc.), such information will be forwarded to PERS-811 immediately. This information is required to be routed via the selectee for comment, with a request that the selectee's appointment either be, (1) effected, (2) delayed, or (3) rescinded. Justification must be included with the request for disposition of appointment.

10. Active Duty CWO Appointment and Service Obligation. Selectees will be appointed as CWO only if they continue to meet all eligibility standards as specified previously. Appointments to CWO will be made in the grades as indicated below:

a. The appointment of each selectee will be to the permanent grade of CW02, except those selectees serving in paygrade E-9, who have completed two years time-in-grade, will be appointed to CW03 in the U.S. Navy. TARs and Naval Reservists on active duty must reenlist USN prior to accepting the appointment. Appointees will be honorably discharged from their enlisted status for convenience of the government to accept a permanent appointment to officer grade.

b. Each selectee will be assigned a date of rank in the grade to which appointed as prescribed by CNO (N131)/PERS-811. All original appointments become effective for pay purposes upon acceptance, but not earlier than the date of rank assigned.

c. Each selectee must agree to remain on active duty for a period of three years from the date of acceptance of appointment and may be required to transfer from current duty location.

d. If, before an appointment is effected, information is received which may render a selectee no longer qualified for

an appointment (e.g., NJP, failure to meet physical fitness standards, civil conviction, alcohol abuse, drug use, loss of confidence in the member's abilities as demonstrated by poor performance of duty, and/or removal of the commanding officer's recommendation, etc.), such information will be forwarded to PERS-811 immediately. This information is required to be routed via the selectee for comment, with a request that the selectee's appointment either be, (1) effected, (2) delayed, or (3) rescinded. Justification must be included with the request for disposition of appointment.

11. Inactive Duty LDO/CWO Appointment and Service Obligation.

Selectees will be appointed as LDOs only if they continue to meet all eligibility standards as specified previously. Appointments to LDO will be made in the grades as indicated below:

a. Canvasser Recruiters and members on active duty (ADSW or one-year recall) will be released from active duty and issued a permanent appointment in the Naval Reserve.

b. Naval Reservists who are assigned to Presidential Selected Reserve Call-up (PSRC) may seek appointment to LDO/CWO via the Inactive Duty LDO/CWO Program. Naval Reservists who are selected under the Inactive Duty LDO/CWO Programs must have gaining command or theater commander re-validation of their assignment based on the commissioned grade. If their assignment in their newly commissioned grade cannot be validated, their active duty status will be terminated. In any case, they will receive permanent appointments in the Naval Reserve.

c. Each selectee will be assigned a date of rank in the grade to which appointed as prescribed by PERS-92D. All original appointments become effective for pay purposes upon acceptance, but not earlier than the date of rank assigned.

d. Selectees must continue serving in the Ready Reserve until the appointment is tendered. Upon acceptance, each selectee must agree to remain in the Ready Reserve for a period of three years from the date of acceptance of appointment.

e. If, before an appointment is effected, information is received which may render a selectee no longer qualified for appointment (e.g., NJP, failure to meet physical fitness standards, civil conviction, alcohol abuse, drug use, loss of

Enclosure (1)

confidence in the member's abilities as demonstrated by poor performance of duty, and/or removal of the commanding officer's recommendation, etc.), such information will be forwarded to PERS-92D immediately. This information is required to be routed via the selectee for comment, with a request that the selectee's appointment either be, (1) effected, (2) delayed, or (3) rescinded. Justification must be included with the request for disposition of appointment.

f. Appointments to LDO will be made in the grades as indicated:

(1) CWO's selected for LDO will be appointed in the permanent grade of LTJG (02) in the Naval Reserve. CWOs selected for LDO with more than four years of active duty service will be appointed in the permanent grade of LTJG (02E).

(2) Enlisted personnel selected for LDO will be appointed in the permanent grade of Ensign (01) in the Naval Reserve. Enlisted personnel selected for LDO with more than four years of active duty service will be appointed in the permanent grade of Ensign (01E).

(3) Appointees will be honorably discharged from their enlisted status for the convenience of the government to accept permanent appointment to officer grade.

g. Appointments to CWO will be made in the grades as indicated:

(1) Selectees will be appointed to permanent grade of CWO2 in the Naval Reserve, except that selectees serving in pay grade E-9, who have completed two years time-in-grade as of 1 October of the year in which the board convenes, will be appointed to CWO3.

(2) Appointees will be honorably discharged from their enlisted status for the convenience of the government to accept permanent appointment to officer grade.

(3) Canvasser Recruiters and members on active duty (ADSW or one-year recall) will be released from active duty and issued a permanent appointment in the Naval Reserve.

A candidate must receive a favorable endorsement from the Commanding Officer (unit CO for SELRES personnel) to be eligible to apply for these programs.

e. If a Commanding Officer feels an individual is not qualified for LDO/CWO, the package should not be forwarded. Individuals not receiving a favorable endorsement are to be counseled on what they need to do to improve their records to ultimately receive a favorable endorsement.

f. If the applicant is transferred prior to submitting the application, a letter of recommendation from the applicant's last commanding officer will be forwarded to the new commanding officer for inclusion with the application when submitted.
